

# Movio tutorial: sostituire lo *slider* nella home page

Salvatore Gambacurta (C.R.I.C.D. Regione Sicilia)

29/08/2016

# Sostituire lo *slider* nella home page

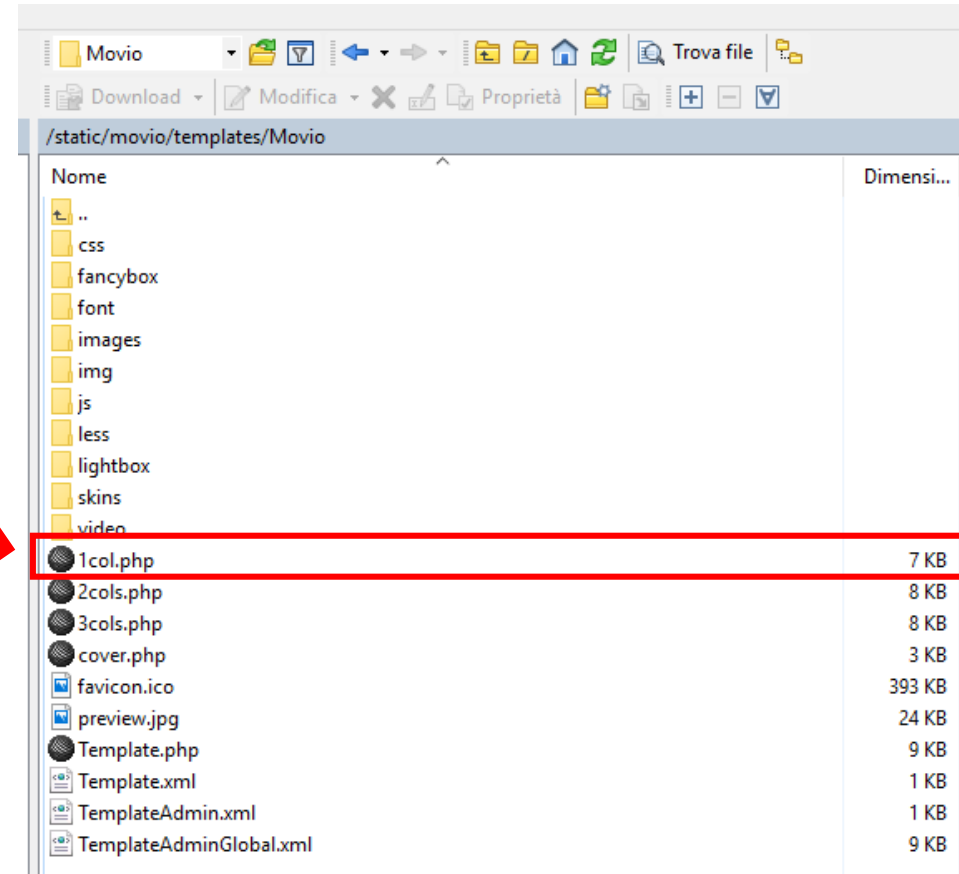

- Per sostituire lo *slider* nella home page bisogna intervenire a livello di codice

The image shows a screenshot of the TOUREIS website. At the top, there is a blue navigation bar with links for 'Home', 'Sitemap', and 'Credits', and a search bar on the right. Below the navigation bar is the TOUREIS logo, which features a colorful graphic of various Sicilian cultural symbols (a red figure with a horn, a blue tent, a yellow wheel, a blue mountain, and a red and yellow archway) and the text 'TOUREIS Itinerari nella Sicilia Immateriale'. To the right of the logo is the logo for the 'Ministero dei beni e delle attività culturali e del turismo' and 'CRicd'. On the left side, there is a vertical menu with the following items: 'HOME', 'MIBACT 500 GIOVANI PER LA CULTURA', 'TEAM', 'IL PROGETTO TOUREIS', 'GLI ITINERARI', 'LE TIMELINE', and 'LE AREE TEMATICHE'. The main content area is highlighted with a red rounded rectangle. Inside this box, the word 'REIS' is visible on the left, and a large, ornate golden mask or sculpture is shown on the right. The text 'SLIDER HOME PAGE' is written in red below the highlighted area.

# Accedere in ftp

- Bisogna accedere in ftp alle cartelle del sito web
- Accedere a static -> movio  
-> templates -> Movio  
-> 1col.php

# Modificare 1col.php

- 1col.php è il file che gestisce la struttura della home page
- Bisogna andare a modificare (tramite un commento HTML) la riga di codice evidenziata sotto

```
<!-- breadcrumb -->
<article class="main-content view-one-column span12">
  <?php if ($breadcrumbs) { ??
    <nav class="breadcrumb">
      <?php print $breadcrumbs; ??
    </nav>
  <?php } ??
  <?php if ($pageTitle) { ??
    <div class="box-title">
      <?php print $pageTitle; ??
      <a href="javascript:window.print()" class="print">print this page</a>
    </div>
  <?php } ??
  <div class="content-box row-fluid ">
    <?php if ($navigation) { ??
      <div id="nav-collapse" class="collapse span3">
        <nav class="menu-sx span12">
          <?php print $navigation; ??
        </nav>
      </div>
    <?php } ??
    <?php print $content; ??
```

# Inserire l'elemento sostitutivo

- Quindi inserire l'elemento che lo sostituisce
- Nell'esempio un `<iframe>` per incorporare un video player di YouTube

<!-- apre  
commento  
HTML  
--> chiude  
commento  
HTML

```
<!-- breadcrumb -->
<article class="main-content view-one-column span12">
  <?php if ($breadcrumbs) { ?>
    <nav class="breadcrumb">
      <?php print $breadcrumbs; ?>
    </nav>
  <?php } ?>
  <?php if ($pageTitle) { ?>
    <div class="box-title">
      <?php print $pageTitle; ?>
      <a href="javascript:window.print()" class="print">print this page</a>
    </div>
  <?php } ?>
  <div class="content-box row-fluid ">
    <?php if ($navigation) { ?>
      <div id="nav-collapse" class="collapse span3">
        <nav class="menu-sx span12">
          <?php print $navigation; ?>
        </nav>
      </div>
    <?php } ?>
  <!-- <?php print $content; ?> -->
  <iframe width="840" height="288" src="https://www.youtube.com/embed/....." frameborder="0" allowfullscreen></iframe>
```

# Video player YouTube

- Ecco il video player di YouTube al posto dello *slider*

The image shows a screenshot of the TouReis website. At the top, there is a blue navigation bar with links for 'Home', 'Sitemap', and 'Credits', and a search bar on the right labeled 'Cerca'. Below the navigation bar is the TouReis logo, which features a colorful graphic of various Sicilian cultural symbols (a person with a megaphone, a cathedral dome, a wheel, a mountain, and a church facade) and the text 'TOUREIS Itinerari nella Sicilia Immateriale'. To the right of the logo is the logo for the Ministero dei beni e delle attività culturali e del turismo (MIBACT) and the CRicd logo. On the left side, there is a vertical menu with the following items: HOME, MIBACT 500 GIOVANI PER LA CULTURA, TEAM, IL PROGETTO TOUREIS, GLI ITINERARI, LE TIMELINE, and LE AREE TEMATICHE. The main content area features a video player titled 'Intro TouReis'. The video player has a play button in the center and a red 'Le Timeline' watermark. The video content shows text: 'sono degli itinerari tematici che seguono una scansione temporale lungo tutto l'anno solare'. A red arrow points from the top navigation bar down to the video player, indicating the replacement of a slider.
